WHEREAS, HAMMER AS, a corporation organized under and by virtue of the laws of Norway and having an office in Bergen, Norway is desirous of obtaining the entire right, title and interest in and to the said application and the invention therein described and claimed and any Letters Patent that may be issued upon said application or for the improvements therein contained.

NOW, THEREFORE, in consideration of One Dollar (\$1) and other valuable consideration, I, the said ERLING HAMMER, have sold, assigned and transferred and do hereby sell, assign and transfer unto the said HAMMER AS, its successors and assigns, the entire right, title and interest in and to the said application and the invention therein contained, including the right to apply for any Letters Patent in the United States of America and any Letters Patent that may be issued thereon or therefor, in the United States, and all reissues, extensions, renewals, divisions and continuations thereof, to the full end of the term or terms for which said Letters Patent may be issued, the same to be held and enjoyed by the said HAMMER AS, its successors and assigns, the same as it would have been held and enjoyed by me if this assignment and sale had not been made.

AND I HEREBY authorize and request the Commissioner of Patents and Trademarks to issue all such Letters Patent to the said HAMMER AS in accordance with this instrument of Assignment.

I FURTHER covenant and agree, in consideration of the premises, that I or my executors and administrators, will execute and deliver to the said HAMMER AS, its successors and assigns, any further documents or instruments, and do any and all further acts that may be

AND I FURTHER covenant and agree, in consideration of the premises, that I or my executors and administrators, will at any time upon request communicate to the said HAMMER AS, its successors and assigns, any facts relating to the said invention and improvements and the history thereof, known to me or to my executors and administrators, and that I will testify as to the same in any interference or other litigation when requested so to do by the said HAMMER AS, it being understood that HAMMER AS will compensate me for my expenses reasonably incurred in complying with its requests.
